

ROOSEVELT GOING TO FUNERAL OF MRS. M'KINLEY

Three Members of Cabinet to Accompany Him, Cortelyou Already There.

END CAME AS IN SLEEP.

Widow of Stain President Had Not Been Conscious Since Tuesday.

WASHINGTON, May 27.—President Roosevelt will leave for Canton tomorrow night to attend the funeral of Mrs. McKinley.

The President will be accompanied by Secretaries Root, Garfield and Wilson.

After attending the funeral Wednesday, President Roosevelt will go to Indianapolis where he will deliver an address on Decoration Day at the unveiling of the monument to Gen. Lawton, killed in battle in the Philippine Islands. From Indianapolis he goes to Lansing, Mich., where he will deliver an address May 31, at the celebration of the fiftieth anniversary of the founding of the Michigan Agricultural College.

The President planned his Western trip several months ago and was scheduled to leave Washington Wednesday night of this week, but when he learned of the death of Mrs. McKinley he decided to leave one day earlier in order to be present at the funeral. The President and his party will return to Washington Saturday.

JUSTICE DAY HAS FUNERAL IN CHARGE.

CANTON, O., May 27.—Official announcement of the plans for the funeral of Mrs. McKinley will be made this evening. To Justice William R. Day, the lifelong neighbor and intimate friend and trusted adviser of McKinley, and Secretary Cortelyou, the details have been left. The wishes of Mrs. M. G. Barber, the only surviving sister of Mrs. McKinley, have been carefully considered in every respect.

It is the hope of all Canton people that the body may lie in state some time Tuesday or Wednesday. This, however, has not yet been determined.

Official steps are being taken to have a suspension of business during the funeral Wednesday afternoon. The public schools will probably be dismissed.

President Roosevelt and members of his Cabinet, who will arrive in Canton Wednesday morning, will be the guests of Justice and Mrs. William R. Day. Special precautions will be taken for the safety of the President.

Secretary Cortelyou, who has scrupulously kept faith with the request of President McKinley that he be specially solicitous of the welfare of Mrs. McKinley, will remain here until after the funeral. Since the death of Mrs. McKinley in Buffalo on Sept. 14, 1901, Mr. Cortelyou has paid many visits to the invalid widow, and under his administration of the estate it has increased in value over the \$25,000 at which it was inventoried when the will was probated.

By the terms of President McKinley's will the estate at the death of Mrs. McKinley was to be divided equally among his brother, Abner McKinley, now deceased, and his sisters, Mrs. Duncan, and Miss Helen McKinley, of Cincinnati. Mrs. Hermann Hoyer (Mahe) McKinley is the daughter and heir of Abner McKinley.

DIED ON WAY TO DOCTOR.

His Wife, in Hysterics, Taken Home in an Ambulance.

Joseph Riemann, twenty-eight years old, of No. 535 West Fifty-first street, was seized with a hemorrhage to-day on Seventh avenue while on his way to a physician's office. He died in the hallway of No. 740 Tenth avenue, into which he managed to stagger with the assistance of his wife, before an ambulance from Roosevelt Hospital could reach him. Riemann had been employed on the Ninth avenue surface line as a conductor. He had been ill for several days, and this morning was too sick to go to work. After breakfast he started with his wife and their little boy to see a doctor.

Mrs. Riemann became hysterical and was taken home in an ambulance.

WATCHED BURGLARS BLOW OPEN SAFE.

BROWNVILLE, Mo., May 27.—While half a dozen or more citizens looked on, four burglars early to-day blew open the post-office safe, took \$100 in money and stamps and escaped. The townsmen aroused by an explosion and by an energetic telephone girl, who called them from her home after hearing the detonation, and realizing what was taking place, ran to the post-office in time to find the burglars at work, but, fearing that the robbers were dangerous experts, withdrew to a safe distance.

The robbers had to use three charges of dynamite before they got the safe open. Then taking what they wanted, they ran away unmolested.
